

*Friends of Rossignol*

*Secretary to the Herald Rossignol am I,*

*At the Autumn Equinox, a small number of you were of such assistance or interest to Rossignol that they have requested that I seek you out particularly.*

*In addition to awaiting your competitive love letters with anticipation, I should like to speak with you both of the Caucus Forum, and of the next steps that we should take in relation to Simargl, the Circle of Zulgan Tash and the intransigence they have shown over Summoning the Loquacious Birds, the gift to the Empire that Rossignol made so long ago and that is now being wasted.*

*Perhaps before Conclave on the Friday evening of the Solstice whilst I am collecting competition entries we can arrange a time to speak privately. I anticipate spending significant periods of time in Anvil on Saturday afternoon and evening.*

*I look forward to furthering Rossignol's agenda*

*Percival Weaver, Night Mage,*

*and one who sees the virtue in the actions of the Eternal Lashonar*
