

JARM

Freedom of religion – useful to me – freedom vs Freedom

IDOLATORS (Iron Confederacy, Asavea)

Appeal to Authority – useful?

Too much religion bad?

Do you truly want to train every human spirit

Excommunication – why not more

SARCOPHAN

Vitalism versus cannibalism

FARADEN

Doctrine of Seven, Doctrine of Labyrinth, relic given to Empire + not

Prosperously used

AXOS

Labyrinth is a trap, no? Why not? Why not oppose this thing if it is horrible?

COMMONWEALTH

What is Virtue anyway? What is it for if not Salvation alone? If salvation alone why Orc exemplars, why preaching to Realms?

EMPIRE

Courage, Pride, Vigilance, Loyalty, Ambition, Prosperity, Wisdom

Reincarnation, Destiny, Seven, Paragons, Creator, Labyrinth

Ask them to try and proselytise me
