

To the Archmage of the Realm of Autumn.

In the name of Prince Prospero, Prince of Autumn, I greet you.

Prince Prospero offers this bounty: The Person who can bring him evidence of the death of the Herald Genedam will gain his favour.

- Genedam, Herald of 'Their Grand Majesties' the Eternal Mazer of the Many Faces was entered in to the Book of Bone in the year 3476.
- Genedam was known to use the Autumn Regio in the Urizen spire of Willstone, in the territory of Redoubt.
- Genedam was known as a Herald associated with the Lost and Found, in the Tower of Winds, the territory that is now subsumed by The City of Locks.

I have also offered this bounty to the two Urizeni Spires that I think will be most successful. In three months time, I will post this bounty in the Hall of Worlds and open the field to all comers.

A single boon from Prince Prospero is offered as Bounty for evidence of Genedam's death.

Signed,

Balthazar, Herald of Prince Prospero
