

Alexander!

In the name of the Iron Duke I greet you.

Your year is complete. The Lord of the Crossroads will receive you to hear tales of the beasts you have slain. Who will you bring with you?

You will need to come to the Semmerstones, in Causse, in Semmerholm and from there we will guide you into a pocket of Summer where we have a place to receive you. You should check for opportunities for travel, you may bring as many with you as your Sentinel Gate will allow.

Remember, you can tell the tale yourself, or have it told for you, and you will be rewarded in measure of the challenges you have faced.

I will seek for you in Anvil, to ensure you have received the message. Leave word with The Shattered Tower or at Wyse Gyse Bar in Dawn if you expect to be hard to find.

Until we meet

Revel
