

Dear Tarik,

Greetings from the summer realm, questor. This is a reminder that the heralds of the Iron Duke will need to be made aware of **when** and if possible **where** your performance will be conducted at the Summer Solstice. Where is less important, but by the end of the summit we must know when the judges should expect to be received.

There will be 2 opportunities to do this;

1. Friday night at House du Lac between the hours of 7 and 9
2. Sunday afternoon, after around 1-1:30pm, where a herald of Barien will attempt to find you

My lord understands that you may not have made arrangements by Friday and so cannot communicate this to his heralds - if this is the case then please make yourself available either in Wintermark or the Hall of Worlds/Imperial Regio around 1:30 on Sunday so one of the heralds can find you easily.

Good luck, questor.

Yours,

Revel, herald of Barien
