

*To the Esteemed Senator Andronikos of the Lighthouse at Nikephoros,*

*I am sorry we did not get to talk at the Solstice, Nicassia informed me that my visit had coincided with your duties as Senator. For that, I ask your forgiveness.*

*I will be attending Anvil again this summit and should arrive around 6 o'clock on Friday. I hope that I will find you in the Urizen encampment to discuss the matter, which has now become quite urgent. I do not know if Nicassia told you the contents of our conversation, but I dare not put too much in writing. Please find me as soon as possible.*

*In anticipation of our meeting,*

*Maistir Odhrán*
