

# Jotun Brief

*“They enshrine the warrior ideal”*

- **Born to war** - fight face-to-face, take and deliver wounds to the front
- **Fiercely honourable** - fight with honour, keep your word, despise oathbreakers
- **Conquerors by nature** - those you defeat can become a thrall, or die

*“They are a warlike tribe that values strength-in-arms and fighting-spirit as their highest virtues”*

- **Revere their ancestors** - draw strength from your ancestors in battle
- **Seek death in battle** - a good death in battle gets you closer to the ancestors
- **Neither barbaric or cruel** - let a fallen foe bleed out, and have a good death

**NO HONOUR DUELS, NO LOOTING, NO EXECUTING**

# Jotun Godhi

## Shamanic healer, spiritual guide

- Battlefield priests and healers
- Speak with the ancestors
- Encourage and support their unit
- Keep their unit alive

The Ghodi direct the healers and thralls to where they are needed

*“Ancestors hear me!; Jotun they watch us!; By the Ancestors you shall fight on!”*
