

*Uncle L*

*I have found the source of my supply. A local businessman running a number of smaller operations in the city.*

*I have not told him about you, but hope to arrange for you to meet.*

*I aim to arrive in Anvil at 11 on Saturday evening, and will head straight to the Forge. My hope is that the sentinel gate will allow us to make a move some time afterwards.*

*Discuss more in person.*

*W v H*
