

Sirus Skybreaker

Archmage of Winter

I thank you for using your Plenipotentiary power to contact me and my court.

We are appreciative of your trinkets you have sent and are aware of your casting of rituals.

You are favoured of all the covens in the Empire.

I think it is now time to meet and see whether you will do what is needed

I will grant an audience to you and four from the Empire who you chose

Bring them to my Audience chamber at eleven o'clock on the Friday of the Spring Equinox

I remain

The Bound King
