

Master Alchemist,

I would like to send a herald to meet with you to discuss the true skill of Alchemy.

I shall send them through at 3pm on the Saturday of the Summer Solstice

I would be happy if you and other Master Alchemists could be present to speak to my Herald

Please bring materials to perform the Alchemy rituals with my Herald,

I am interested in discussing this ritual

I have a proposition for you to forward this practice

Murit,

The Dragonsmith
