

Barchetta if that is how you prefer to be addressed.

I am sorry that I have not, as yet, received a reply from you. I hope that you are not sore with the fact that I have not been in contact for so long. I do sincerely miss you and although I would like to meet in person, a letter to know that our family tie still stands strong would mean everything.

Things are chaotic in Sarvos at the moment as I'm sure you know, and Biagio's business has been badly hurt but he is paying to help rebuild Sarvos first and rebuild his business after.

I do not know if you have found the necklace, but I hear that it was being sold to an Urizen architect of the name of Zeno of Duskwood's Lights Spire. I believe he has been found dead, I don't know if the militia have found the necklace. The Banner of the Pheonix are the largest Spire nearby I don't know if any of them in Urzien have heard anything.

If we could find this necklace and present it in a great work when Sarvos is rebuilt, it would help the pride and the moral of this city so much.

You will always be Vincenzo in my heart

All my love

Gabrella Verdulero Di Sarvos
