

Eliza,

I have no Sonnet for you this time. Rossignol is busy trying to arrange to visit Anvil with Meliflee to see Simargl and retrieve his precious ritual text, and I think perhaps also to see you.

But in case he cannot, he has used his influence with the Loquacious One to ensure that you are included in the audience that will take place between the Speaker in Dreams and the Archmage of Night on the afternoon of the first full day of the Solstice. I hope you will make the most of it. If you are truly worthy of the attention we have given you I will be glad to hear of any paths to diplomacy you manage to lay when I get the news next season.

As is so often the case now, I won't make it to Anvil myself so I wish you well

Yours

Percival Weaver, Night Mage
