

*In the Holy Names of the Paragons, Righteous Overseers of our Destinies,*

*Great hero of the Way of Wisdom, we are the Free Folk and we want to talk to you. We have never met a living Exemplar before. We wish to hear your stories and your guidance, and know of your deeds.*

*We mean to attend the Night of Worth celebration. Please can we speak with you then.*

*In faith and love,*

*The Free Folk of Marræoss*
