## Timetable, E1-2017 Winter 380

### *Friday*

#### **1800 – set up for interviews**

**Set:** The interview space

**Cast:** Pure Liao Service

**Contact:** Us

#### **1900 – interviews**

#### **2000 – Landon of Longridge**

**Set:** The tent of a Navarri Steading at Anvil

**Cast:** Navarri Thorn (Katie)  
Urizeni Draughir Mage (Matt Hedley-Kaye?)  
divers Navarri

**Contact:** Felix

#### **2100 – Landon is GO**

#### **2130 – turnaround for Kali**

**Set:** the aftermath of a bitter battle in a baggage train between Steinr, Jotun and Thule – heavy on the broken stuff, discarded weapons and severed limbs, light on the surgical tools. If something can be 'on fire' in the scene that would be *perfect* but I think it can't be done.

**Cast:** Emperor Guntherm (Steinr high status), a bit injured  
The Jarl of Kierheim (Jotun high status), horribly injured  
an Thule, ded  
possibly one additional Steinr Grimmir  
divers Corpses

**Contact:** Ian (Emmy Allen on makeup for the Jarl)

#### **2230 – Kali is GO**

# *Saturday*

Morning: Nothing. Re-set. Pre-brief if anyone briefable is around.
