

Dear Aristeia,

I hope this letter finds you well. I know the seasons have been difficult, but the curse you bear is nearing its end.

*The transformation I will be able to offer you is but a haze, but it becomes clearer to me every day. I hope that by writing to you, I may help you to choose the path that is right for you. These curses are unpleasant, but please trust me when I say that their bearing could lead to a transformation of joy.*

*I can see only snippets of the curses you can choose to bear by changing the hallow on your jewels, but I have outlined these as best I can. Please know that the curse you bear at the end of the spring equinox will lead to a specific transformation which I will be able to offer you. I cannot say if this transformation will be one you choose to undergo, but I hope that you will consider it. The true curse is to remain stagnant, to avoid being shaped by the very world around us.*

- *An Ambition hallow will lead to a curse of ruthlessness*
- *A Courage hallow will lead to a curse of the wild places*
- *A Loyalty hallow will lead to a curse of paranoia*
- *A Pride hallow will lead to a curse of arrogance*
- *A Prosperity hallow will lead to a curse of excess*
- *A Vigilance hallow will lead to a curse of the mundane*
- *A Wisdom hallow will lead to a curse of obsession*

*Please write to me if there is anything at all I can do for you. I want to be free of this strange body. I would like very much to take my place among the stars once again.*
