

*Honoured Dignitary*

*It is with profound delight that we invite you to the ceremony celebrating the opening of our new facility at the Observatory of the Blazing Mirror. This facility has only been possible due to the donation of materials from of our prosperous sponsor, Camillius Endsmeet.*

*In recognition of this fact we have taken the decision to name the observation tower where the mirror will be mounted in his honour and will be anointing it the "Camillius Steeple" as part of ceremony.*

*After consulting the stars, we have determined that a conjunction will be present to allow transport of 14 individuals to Iteri, Zenith at midnight on the Sunday of the Spring Festival. Unfortunately due to limitations on the numbers of those who may pass through this conjunction we can not offer the opportunity to bring a guest to this gathering.*

*We look forward to seeing you at this celebration of both ours and our patrons prosperity.*
