*One of your boons has been used.*

*You may know of this already and be willing as it comes from Sigehold Hall. But in case you are not, The Lord of the Crossroads wishes to make sure you have the opportunity to benefit.*

*The meeting requested is with the Ustiger Jarl of Kierheim. He has journeyed across the Empire at great personal risk. We expect him to reach the Empire at around 2pm on the afternoon of the Sunday of the Equinox. I have instructed Maarit to make sure that he is welcomed in Anvil and brought safely to Sigehold Hall.*
