

Edric

My thanks for your letter - and I appreciate your intent.
With the situation in Weirwater and the Undead still at our
gates, I do not feel it wise to go to Anvil Nor do I wish to be
in a hangman's noose

If you can travel to Applefel, then I will meet you there. A
friend of mine at Anvil has checked the gate and it seems
there is a conjunction tonight at midnight

I will talk to you, If this is a trap then it will end badly.

For the people of Applefel

Alysen Weaver
