

Help

They are after me...

I do not know who I can trust, and I am not sure if the Navarr are involved.

But, I have no other option... I cannot think of the name of anyone who is likely to be at Anvil.

And, I just must hope that the sentinel gate has a conjunction to somewhere near where I am

They have taken down the wards, and I have taken my notes and run

Please tell the Torchbearers - or anyone else that can rescue me and bring me back too safety

I am in the woods, by Myfanwy's Rest in Fishguard, Necropolis.

They are coming for me - please get me help
