

*To the Generals of the The Wolves of War and The Towerjacks,*

*I hereby invite you or your representatives to meet with a Delegation of my Heralds on the Saturday of the Winter Solstice. The Delegation will arrive at 3pm and will meet at a location arranged by the Archmage of Day.*

*Along with your representatives I would like between the two of you choose the two warriors you believe are the exemplars of the League fighting style, your most perfect warriors. They shall be offered an opportunity to compete in a special challenge in my name.*

*Yours,*

*Zakalwe*
