

Dear Rin,

Congratulations are in order, challenger. The Reeve of the Summer Lands has received word of your defeat of the Sarcophan scop and has suitably seen that you are worthy of reward! Barien hereby invites you to a ceremony at the Grove of the Thousand in Axmure in Semmerholm at 5:30pm on the Saturday of the upcoming Winter summit. You may bring 5 others with you to witness the ceremony if you so wish.

If you have any questions, the Iron Duke's heralds can be found on Friday night at the Scarlet Guard in Urizen between 7 and 9 in the evening.

The Lord of the Crossroads looks forward to your meeting, questor.

*Sincerely,
Revel, Herald of Barien*
