

### **Troubled Dreams**

In the past week or so, you have had troubling dreams. These dreams are of fire and destruction, and the fall of the Empire. There is the sound of voices chanting, but you cannot make out the words.

If you receive the *Omen of Vigilance* anointing from a Vigilance Priest, you will receive a more specific dream. The following day you can ask a referee for the details of "Omen of Vigilance E1-2015".
