

Dawnish War Song

Sword and shield and armour bright
Yeoman and witch and knight
Now we march and now we fight
Now have no fear, fight with me for glory here

Trumpet call and battle cry
Raise the standard up on high
Victory or else we die
Now have no fear, fight with me for glory here

Take your weapons in your hand
Shield to shoulder now we stand
Never yield a foot of land
Now have no fear, fight with me for glory here
